Attached you will find the notes from our visit to the MDS Pharma Services Phoenix site on June 24, 2004.

Please feel free to contact me with any comments or questions you may have.

As you will see in these notes and as was discussed in our weekly teleconference yesterday, I will be providing regular updates on the progress of reports and any action items that came to light in Phoenix.

Thanks so much,
Jacki

P.S. Also attached to this message is a copy of the slides that were presented by Paul Mendes from Philip Morris. I have also included two organizational charts for MDS personnel relevant to Philip Morris. If these need more detail or clarification, please let me know.
